

Hi Everyone,

Sunday June 29, 2026

Here are this week's FCSL Diving reminders and updates, including the referee assignments.

**Training Site:** The training site is linked [here](#) and you are encouraged to reference the site frequently for all the info you need.

**Referee Assignments:** The assignment for this week's meets are linked [here](#) and can also be found on the Referee page of the training site. These will be distributed and posted each Sunday. ***Please review and if a ref has been assigned to a meet that is no longer taking place, contact us ASAP. If you have a meet scheduled for which a ref has not been assigned, please contact us ASAP. Ref assignments are made according to the schedule published on the FCSL site.***

Referees should email [whirlwinddiving@gmail.com](mailto:whirlwinddiving@gmail.com) your preferences for day, time of day and location. Assignments will be made accordingly.

**Ref Payment:** Per league rules, [Appendix XXII](#), payment of \$100 by the home (host) club is expected to be made to the Referee at the end of the Dive meet.

**Dive Sheets:** [This is the dive sheet you must be using](#). If you fill out an older version, refs will ask you to re-do. When filling out your dive sheets, it is your responsibility to know the league rules. We have streamlined the age group charts for easier reference. The dive sheet and chart is linked on the Dual Meets and Championships pages of the site.

[Link](#) to updated charts for Dual and Championships has been added to the site. As noted, dual meet requirements and championship meet requirements differ so as you are working with your divers this summer with the goal of competing at the Championships, make sure you are aware of what is required.

**Dual Meets:**

**Schedule Changes:**

If you need to reschedule a meet, league rules state changes are permitted with the approval of chairs from both teams. When rescheduling, please try to avoid 7/27 or 7/28. These are the days leading up to the county diving championships, and if weather becomes a factor either day, you likely will not be able to reschedule again until August. Try your best to have all meets concluded by 7/24.

If you have any schedule changes from what is currently published on the FCSL website, be sure to notify Joe, Amanda and myself of changes so we can properly assign refs. When you email the FCSL webmaster, include [Lisa.frangione5@gmail.com](mailto:Lisa.frangione5@gmail.com), [amandaelgert@gmail.com](mailto:amandaelgert@gmail.com) and [whirlwinddiving@gmail.com](mailto:whirlwinddiving@gmail.com) on the email you send.

**Meet Preparation:** Chairs/Aquatics Directors/Coaches review the [Meet Preparation Checklist for Meet Hosts, Coaches and Referees](#) as well as the [Score Table Toolkit](#) to be sure you are prepared to host a meet.

See the Dual Meets page of the training site for additional details.

**Championship Dates:** please make sure your clubs are communicating the correct dates. Thank you in advance to our hosts. The timeline and additional details will be provided closer to the meets. Entries will be via google form. See Championships page of the training site for additional details.
